talking things in their own hands and the Officers are standing by no. Yes Sis I look like a Mexican now tell Rosalie as soon as I can get any where I can get post-cards I will send her some as this place ~~is~~ only a telagraph station

I left her Highness in Brownsville and dont know whens I will get to see her again You said she looked like a woman who could cheer a man up she sure is a good woman and has got the money I dont know what made her take a liking to me but some women
