E. Executive Committee and Officers of the Board Elected

Under the Governing Regulations officers of the Board and the Executive Committee are elected annually at the September meeting. Mr. Sturgill, Chairman, who had appointed a Nominating Committee, composed of Mr. Homer W. Ramsey, Chairman, Mr. Thomas B. Kessinger, Mr. James A. His motion was seconded by Mr. Black. There were no nominations from the floor and the motion was adopted without dissent.

Mr. Sturgill resumed the Chair, and Mr. Ramsey continued his report by placing in nomination for membership on the Executive

F. Standing Committees for 1975-76 Named

Mr. Sturgill appointed the Standing Committees to serve during the 1975-76 year. A list of the committee appointments appears at the end of the Minutes.

G. President's Report to the Trustees (PR 1)

President Singletary called particular attention to the enrollment figures which showed a record enrollment of 21,488 students on the Lexington campus and 17,268 in the Community College System. He also mentioned that the University had set a record for the fiscal year ending June 30, 1975, in the number of research projects recognized (812) and the funding received (\$25.3 million). He concluded his report by recommending that the report be accepted and filed. Without objection it was so ordered by Mr. Sturgill.

H. Recommendations of the President (PR 2)

President Singletary noted that PR 2, Recommendations of the President, contained personnel changes and the quarterly report on gifts and/or grants received for the quarter ending June 30, 1975. Since these were routine items and the Board members had already had the opportunity to examine them in advance of the meeting, he recommended approval of PR 2 as a whole.

On motion by Mr. Clay, seconded by Mr. Palmer, and passed without dissent, PR 2 was approved as a whole and ordered made an official part of the Minutes of the meeting. (See PR 2 at the end of the Minutes.)

Before proceeding to the next item on the agenda, President Singletary said he would like to take note of one appointment in PR 2 - that of Tom Padgett as Director of the Division of Public Safety and Assistant to the Vice President for Business Affairs. He thought this would be of particular interest to members of the Board inasmuch as Mr. Padgett had worked with the Board members from time to time while he served as a Special Assistant in the President's office.

I. Degree Candidates in the University System (PR 4)

Without discussion, on motion by Mr. Palmer, seconded by Mr. Homer Ramsey, and passed with the aye votes carrying, the President was authorized to confer upon each individual whose name appeared on the list presented in PR 4 the degree to which he is entitled, upon certification by the Dean of Admissions and Registrar, and approval by the University Senate, that the individual has satisfactorily completed all requirements for the degree for which he has made application. (See PR 4 at the end of the Minutes.)

J. Degree Candidates in the Community College System (PR 5)

President Singletary recommended approval of the awarding of degrees and certificates in the Community College System for those individuals whose names were submitted in PR 5.

Without discussion, on motion by Mr. Sutherland, seconded by Mr. Frank Ramsey, and passed, it was so ordered. (See PR 5 at the end of the Minutes.)

K. Budget Revisions for 1975-76 (PR 6)

Noting that the proposed revisions in the 1975-76 budget were routine in nature, President Singletary recommended approval. On motion by Mr. Black, seconded by Dr. Woodyard and passed, the proposed budget revisions in the 1975-76 budget were authorized and approved. (See PR 6 at the end of the Minutes.)

L. Acceptance of Gift for Mary Swinney Corbin Scholarship Fund (PR 7)

President Singletary said it gave him much pleasure to recommend the acceptance of the gift in the amount of \$100,000 from Mr. David C. Corbin for the purpose of establishing the Mary Swinney Corbin Scholarship Fund. He added that authority to accept gifts of less than \$100,000 has been delegated to the President, but gifts of \$100,000 or more must be accepted by the Board of Trustees.

Mr. Sturgill responded that it was a pleasure for the Board to accept such gifts and they would welcome similar opportunities in the future. Mr. Clay moved acceptance of the \$100,000 gift from Mr. Corbin. His motion was seconded by Mrs. Clark and passed unanimously. (See PR 7 at the end of the Minutes.)

M. Proposed Amendments to the Governing Regulations (PR 8)

President Singletary said that some of the proposed amendments to the Governing Regulations were of an editorial nature and some more substantive than others. Since amendments must lie on the table for a month, President Singletary recommended that they be received for consideration and action at the December meeting of the Board of Trustees.

There being no questions, on motion by Mr. Black, seconded by Mr. Burlew, and passed, PR 8, Proposed Amendments to the Governing Regulations, was received for consideration and action at the December meeting. (See PR 8 at the end of the Minutes.)

N. Master of Arts in Teaching (PR 9)

President Singletary recommended approval of the establishment of a program leading to the Master of Arts in Teaching (MAT) degree and reminded the Board members that new programs require Board approval prior to transmission to the Council on Public Higher Education for its approval.

There being no questions, Professor Sears moved that approval be given for transmission to the Council on Public Higher Education for the establishment of a program leading to the Master of Arts in Teaching (MAT) degree. The motion was seconded by Mr. Homer Ramsey and passed without dissent. (See PR 9 at the end of the Minutes.)

O. Reorganization of School of Communications (PR 10)

President Singletary said that a plan for the reorganization of the College of Arts and Sciences is presently under study and will be brought to the Board of Trustees at a later date. In this plan consideration is being given to the desirability of separating the Communication/Journalism area from the College of Arts and Sciences. However, in order to come to grips with some concerns that are immediate, it has been decided to recommend to the Board of Trustees at this time that the School of Communications in the College of Arts and Sciences with its Departments of Journalism, Speech, and Telecommunications be abolished, effective immediately, and replaced with a School of Journalism and a Department of Human Communication, both located administratively in the College of Arts and Sciences. He continued that the recommendation just made would be effective only for the current academic year and the future organizational structure will be reconsidered at the time the reorganization plan for the College of Arts and Sciences is presented.

There being no questions, on motion by Mr. Harralson, seconded by Mr. Crockett and passed PR 10 was approved as presented. (See PR 10 at the end of the Minutes.)

P. Administrative Appointments (PR 3)

With the approval of the establishment of the School of Journalism and the Department of Human Communication, President Singletary, requested PR 3, Supplemental Recommendations of the President, be considered. He then recommended that the appointments of Dr. Robert N. Bostrom, as Acting Chairman of the Department of Human Communication, and Dr. Dwight L. Teeter, as Acting Director of the School of Journalism, be approved. He added the recommendations were made with the concurrence of faculty committees and the Dean of the College of Arts and Sciences.

On motion by Mr. Sutherland, seconded by Mr. Griffin and passed without dissent, Dr. Bostrom was named acting Chairman of the Department of Human Communication, and Dr. Teeter, Acting Director of the School of Journalism. (See PR 3 at the end of the Minutes.)

Q. Donald B. Clapp Named Vice President for Administration (PR 11)

Saying that he was particularly pleased to do so, President Singletary recommended the appointment of Dr. Donald B. Clapp as Vice President for Administration. The title formerly belonged to Dr. Alvin L. Morris, but Dr. Clapp's duties will be different from those performed by Dr. Morris. Most of Dr. Morris' duties have already been assigned to Vice President Smith and Dr. Drake. Dr. Clapp's duties will include supervision of the Budget Office and the Management Information Office and he will serve as liaison between the President's Office and the Athletics Association. In addition, he will also be given other assignments from time to time as determined by the President.

On motion by Mr. Clay, seconded and passed, Dr. Clapp was named Vice President for Administration effective September 1, 1975. (See PRs 3 and 11 at the end of the Minutes.)

R. Dedication of Addition to the University Hospital

President Singletary, in concluding his part of the agenda, mentioned that the dedication ceremony for the new addition to the University Hospital was scheduled for Saturday morning, September 27. Governor Carroll will be the speaker on this occasion and President Singletary urged as many members of the Board to attend as could possibly do so.

S. Acceptance of Audit Report for the University of Kentucky for 1974-75 (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported that the Finance Committee had considered the audit reports as attached to FCR 1 and recommended acceptance of these reports. It was so moved by Mr. Homer Ramsey. His motion was seconded by Mr. Griffin and passed without dissent. (See FCR 1 at the end of the Minutes.)

T. Easement at Maysville Community College (FCR 2)

Mr. Clay noted that the recommendation authorizing the Vice President for Business Affairs and Treasurer to execute a deed conveying title to 0.773 acres at Maysville Community College to the Department of Transportation to be used for an access road to a factory under construction by Bluegrass Industries Incorporated had the approval of the Maysville Community College Advisory Board. He then moved approval of the recommendation in FCR 2. His motion was seconded by Mr. Crockett and passed without dissent. (See FCR 2 at the end of the Minutes.)

U. Resolution re Renaker Estate (FCR 3)

At the request of Mr. Clay, Mr. Blanton explained in greater detail the background for the recommendation in FCR 3. Following his presentation Mr. Clay moved that the recommendation in FCR 3 be approved. His motion was seconded by Mrs. Clark and, without dissent, passed. (See FCR 3 at the end of the Minutes.)

V. Resolution Regarding Hazard Community College

Mr. Clay explained that he would like to present a resolution relative to the construction of a facility on the campus of the Hazard Community College which was not on the agenda. He then moved adoption of the following resolution:

That the Vice President for Business Affairs be authorized to work with Kentucky River Area Development District in the development of a proposal to be presented to this Board at a later date relative to the construction of a facility on the Hazard Community College property with the proposed facility to be in a style and of a quality that will complement the present building.

Mr. Clay explained that when the building was no longer needed by the Kentucky River Area Development District, it would revert to the Hazard Community College.

Mr. Griffin seconded Mr. Clay's motion and it passed without dissent.

W. Report of Investments (ICR 1)

Mr. Griffin, Chairman of the Investment Committee, asked if the members of the Board had any questions relative to the investment report which had been mailed to them prior to the meeting. There being none, Mr. Griffin moved acceptance of the report of changes in investments for the University of Kentucky and its affiliated corporations for the quarter ending June 30, 1975. Mr. Kessinger seconded his motion and it passed without dissent. (See ICR 1 at the end of the Minutes.)

Dr. Bosomworth was asked to provide a copy of the Minutes of the Medical Center Committee meeting at the next meeting of the Board of Trustees.

Y. Meeting Adjourned

After first determining that there was no further business to come before the meeting, on motion duly made, seconded and carried, the Chairman declared the meeting adjourned at 2:50 p. m. (Eastern Daylight Time).

Respectfully submitted,

Paul G. Sears, Secretary
Board of Trustees

ACCEPTANCE OF GIFT FOR MARY SWINNEY CORBIN
SCHOLARSHIP FUND

Recommendation: that the Board of Trustees authorize the acceptance of a gift in the amount of \$100,000 from Mr. David C. Corbin for the purpose of establishing the Mary Swinney Corbin Scholarship Fund.

Background: Authority to accept gifts of less than \$100,000 has been delegated to the President of the University, but gifts of \$100,000 or more must be accepted by the Board of Trustees. Mr. David C. Corbin, a former Kentuckian, now residing in Akron, Ohio has made a gift of \$100,000 to the University in honor of his wife, Mary Swinney Corbin, who was graduated from the University in the Class of 1921. It is the donor's wish that the Mary Swinney Corbin Scholarship Fund be used to assist outstanding young men and women residing in the Commonwealth who wish to attend the University. The fund is to be invested in fixed income type securities so that the annual income shall be maximized. Further, the donor wishes for the interest only to be used for a period of ten years. Beginning with the eleventh year and each year following, \$5,000 from the principal shall be added to earnings for funding the scholarships. The fund is to be depleted at the conclusion of the thirtieth year of its existence.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed changes in the Governing Regulations of the University of Kentucky be received for consideration and be put on the agenda for approval by the Board of Trustees at its next regular meeting.

Background: Recently all regulations, policies and procedures relative to the University of Kentucky Community College System have been reviewed with respect to adequacy, clarity and correctness. The eight amendments to the University of Kentucky Governing Regulations which are proposed herewith were included among the recommendations resulting from the reviewing. Amendments (a), (b) and (f) were initially recommended to the President by the Community College Council and/or Senate of the Community College System; the other five amendments were recommended by an Ad Hoc Advisory Committee to the President.

(Note: Proposed additions are underlined; proposed deletions are bracketed.)

- (a) Change Part V, page 16, to describe the seventh function of the Senate of the Community College System as follows:

Recommending to the President all candidates for degrees and certificates from the community colleges and technical institute.
The Senate may delegate this function to the faculties of the community colleges and the technical institute.

Rationale: This addition makes it permissive for the Senate of the Community College System to delegate one of its functions to the faculties of the community colleges and technical institute. The faculty of an individual community college or technical institute is appropriately qualified for recommending to the President all candidates for degrees and certificates from that educational unit. There is no obvious advantage to justify the faculty time and travel costs associated with convening the Senate of the Community College System, or its Community College Council, to perform this function.

- (b) Change the first paragraph of Part VII, A, 8, b to read:

b. Faculty Assemblies

[Each] The faculty of a community college may organize [itself as] a Faculty Assembly for the purpose of making recommendations relating to [any phase of the academic program of the college or of the Community College System and to] the professional welfare of its members. It shall prepare a set of rules which shall describe its organization and procedures for the performance of its functions. Full-time faculty members devoting more than fifty percent of their effort to teaching, librarians and counselors are eligible for membership in the Faculty Assembly. Other members of the faculty may become members upon invitation by a majority of the members of the Assembly.

Rationale: The modifications in this section provide needed clarifications concerning the membership and functions of Faculty Assemblies.

- (c) Separate the last two sentences from the first paragraph of Part VII, B, 8 and, after modification, add these sentences as new second and third paragraphs in that section to read:

[He] The director shall review and finalize the performance evaluations [submitted] recommended by the division chairmen or [members] other administrative personnel of his college.

[He] The director shall be responsible without delegation for recommendations on salaries, salary changes, appointments, reappointments, terminal appointments, decisions not to reappoint, post-retirement appointments (X, C, 8), promotions and granting of tenure for members of his college or for ultimate action thereon when such authority has been delegated to him by the Vice President for the Community College System or the President.

Rationale: These changes provide needed clarifications and emphases with respect to certain roles or responsibilities of the director of a community college.

- (d) Change the first sentence of the second paragraph of Part VII, B, 9 to read:

The division chairman shall be responsible for advising the director [or his designate] on the appointment of new members of the division, promotions, reappointments, terminal appointments, decisions not to reappoint, post-retirement appointments and the granting of tenure, following consultation with the tenured [and senior] faculty of the division.

Rationale: The changes in this section provide needed clarification of the direct role of a director in handling personnel matters and deletion of the ambiguous term "senior".

- (e) Expand the third paragraph of Part VII, B, 9 to read:

The division chairman shall be responsible for the periodic evaluation of members of the divisions by procedures and criteria established by the University, the Community College System and the community college and divisional faculties. The division chairman shall make recommendations to the director who shall make final decisions relative to such evaluations.

Rationale: This addition provides further clarification of the roles of the director and the division chairman with respect to faculty performance review.

- (f) Change the seventh paragraph of Part VIII, A, 3 to read:

A search committee for a director of the community college shall be appointed by the Vice President for the Community College System after consultation with [the Community College Council and] the faculty of the community college.

Rationale: This deletion will permit the Vice President for the Community College System to appoint a search committee without prior consultation with the Community College Council which normally meets only three or four times per year. Believing that little is gained from such consultation, the Council itself initiated the recommendation for this change.

- (g) Change the eighth paragraph of Part VIII, A, 3 to read:

Search committees for chairmen of divisions in community colleges shall be appointed by the director of the college after consultation with at least the tenured [and senior members of the faculty] faculty members of the concerned divisions.

Rationale: This change in wording eliminates the ambiguous term "senior" and establishes a minimum level of consultation prior to the appointment of search committees for chairmen for divisions in community colleges.

(h) Delete the last sentence in Part X, B, 1:

Full-time academic appointments shall be of three kinds: (1) non-tenure appointments; (2) appointments with tenure; and (3) post-retirement appointments (X-C-8). [After the expiration of a probationary period, non-tenure appointees may be granted tenure.]

Rationale: The deleted sentence is considered unnecessary and, to some extent, misleading since a faculty member may be promoted to associate professor and granted tenure prior to the full length or expiration of a probationary period.

MASTER OF ARTS IN TEACHING

Recommendation: that approval be given, for transmission to the Council on Public Higher Education, for the establishment of a program leading to the Master of Arts in Teaching (MAT) degree.

Background: This proposed program was developed jointly by the College of Education and the Department of Mathematics and is recommended by the Graduate Faculty and the University Senate. The Graduate Faculty at its meeting on September 17, 1973 expressed by unanimous vote the worthiness of this type program for other disciplines leading also to the MAT degree, but with a major in the appropriate discipline. The program describing new majors would require the approval of the Graduate Faculty and the University Senate.

The proposed MAT degree differs from the present Master's degree in the discipline in that the new degree will include courses designed specifically for teachers. It differs from the present Master's program in Education in that it includes more discipline content and is largely restricted to course work directly related to teaching in that discipline.

REORGANIZATION OF SCHOOL OF COMMUNICATIONS
INTO SCHOOL OF JOURNALISM AND
DEPARTMENT OF HUMAN COMMUNICATION

Recommendation: that the present School of Communications in the College of Arts and Sciences with its Departments of Journalism, Speech, and Telecommunications be abolished, effective immediately, and replaced with a School of Journalism and a Department of Human Communication. The new School and Department will be administratively located in the College of Arts and Sciences and be headed by an Acting Director and an Acting Chairman, respectively, for the remainder of the 1975-76 year.

Background: More than a year ago, the College of Arts and Sciences presented a proposal for the reorganization of the College which, among other things, suggested further study on the desirability of separating the School of Communications from the College. In accordance with the Governing Regulations, this proposal was referred to the University Senate for advice, and the Senate Committee on Academic Organization and Structure, after extensive study and hearings on the proposal over the past year, recommended the above action as an interim solution to some of the organizational problems. This action has also been recommended by the Senate Council.

APPOINTMENT OF VICE PRESIDENT FOR ADMINISTRATION

Recommendation: that Dr. Donald B. Clapp, Executive Assistant to the President, be named Vice President for Administration, retroactive to September 1, 1975.

Background: The position of Vice President for Administration has been vacant since the resignation of Dr. Alvin L. Morris on February 1, 1975. After serving for two years as Executive Assistant to the President, Dr. Clapp has more than demonstrated his administrative capability. His legal training, his experience as Budget Director, and his understanding of both the academic and fiscal aspects of the University make him uniquely qualified to serve as Vice President for Administration and his appointment is strongly recommended.

- (1) A deed conveying title to 0.773 acres at Maysville Community College to the Department of Transportation to be used for an access road to a factory under construction by Blue Grass Industries, Inc.

Background: The conveyance of the 0.773 acres and the location of the easement have been approved by the University's Design and Construction Division and by the Maysville Community College Advisory Board.

RESOLUTION RE RENAKER ESTATE

Recommendation: (1) that the Executor of the Estate of Violette B. Renaker, deceased, be advised that the University does not desire that its interests in the real property located in Garvin County, Oklahoma be sold, it being the present intention of the University to retain said property and receive the income therefrom.

(2) that the Board authorize and direct the appropriate officials of the University to cause the execution of the documents necessary to evidence the University's approval of the Plan of Unitization, West Whitehead Unit, Garvin County, Oklahoma, dated July 15, 1975.

Background: The Petroleum Engineering firm of Hise & Hise, engaged by the University, has advised that, in its opinion, retention of the oil properties in Oklahoma will result in the realization of more income to the University than would be obtained from the proceeds of a sale of the property at this time. The Finance and Investment Committees concur in this opinion.

The Plan of Unitization is expected to increase total oil recovery from the field. The Plan would allocate 68.25121% of royalty income from the field to the tract of land in which the University's interest lies. This percentage is, in the opinion of the engineering consultants engaged by the University, fair and equitable to the University.
