MINUTES OF THE UNIVERSITY SENATE - JANUARY 18, 1937

The University Senate met in the Lecture Room of McVey Hall, Monday, January 18, with President McVey presiding.

The minutes of December 14, 1936, were read and approved.

The Committee on Duplication of Work presented the following new course, which was approved:

College of Arts and Sciences

Geology 123a,b. Mineralogy. Three credits a semester.

President McVey announced that the University had begun the development of a guidance plan for students in the tenth decile and for transferred students admitted on probation by the Registrar. He outlined the work that has been done during the first semester and the proposed plan for the second semester. After some discussion, it was voted that the President appoint a committee to work out the details of the plan, and to report at the next meeting of the Senate.

Colonel Brewer presented the following report of the special committee appointed to outline the duties of advisers to student organizations:

"The special committee appointed by Dr. Frank L. McVey to outline the duties of faculty advisers to student organizations recommends as follows:

1. That the faculty adviser should be what the name implies; namely, that he should attend the meetings of the group and reason with them as to what is the best course of action in the conduct of their affairs and in the expenditure of their funds (if any), placing the welfare of the student first and the training and development of the students second.
