## PARENTS OR GUARDIANS PLEASE READ

At regular intervals this report will be filled out by the teacher and sent to you for inspection. If this report is not presented at the proper time, kindly notify the teacher.

If the pupil is to be successful in school work, considerable time should be devoted to home study.

Sincial attention is called to the serious consequences of Irregular Attendance. It is important to remember that the loss of even a portion of a school session often proves to be a serious interruption to progress, and tends to produce a lack of interest in the school work. Excuse showing good cause for the absence or tardiness should always be sent promptly to the teacher on the return of a child to school. Neglect of this may cause the child to be sent home after the excuse.

We suggest that you talk over this report with your child each time it is received, and if it has any peculiar needs which are indicated to you by the marks on this card, that you confer with the teacher or su erintendent regarding it.

If the parents could show their interest in the child and school by occasional visits to the school, it would prove a great source of inspiration and help to both pupil and teacher.

Your nearty re-operation is solicited in the endeavor to secure the best development of your child.
