Curtis Industries, Inc.  
1130 East 222nd Street  
Cleveland 17, Ohio

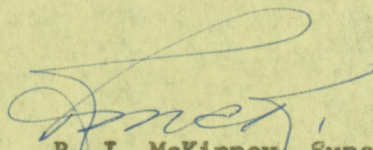

Gentlemen:

Please quote me a price on the Curtis No. 2 key cutting machine complete with rack. Also, a price for the machine only, less rack.

Your catalog does not have listed tools for setting up cylinders, Cylinder pins, drivers, disc and springs for the repairs to cylinder locks. If you have a catalog on these things, please send me a copy.

Please direct your mail to the undersigned.

Yours very truly,

R. I. McKinney, Superintendent  
Buildings & Grounds Department
