Minutes approved May 16-1902

James K. Patterson, President,

A. & M. College of Ky. May 1<sup>st</sup> 1902.

The faculty met in the President's room at 3 P.M. to further the investigation of the M<sup>o</sup> Kee case by discussion of the verdict prepared by a committee.

The Report of the Com. was read section by section, some amendments being made of verdict in and was finally adopted unanimously as <sup>McKee Case</sup> inserted upon the following page.

An informal discussion was then held upon the general behavior of our students, and unfavorable comment was in particular made of among students the general restlessness and subdued disorder in Chapel. so prevalent during the exercises in chapel.

Upon motion of Prof. Pence, it was ordered "that Pres. Patterson should in chapel express to the students our attitude in general, regarding such misbehavior as occurs in chapel, and upon other occasions in various ways."

<sup>Report of Com.</sup> <sup>to investigate</sup> The report of Prof. Kastle as chairman of com. appointed to investigate the effect of college <sup>effect of Cadet</sup> dances upon class work, which follows was upon motion of Prof. Miller adopted

" It is the opinion of the committee that these student dances are no more responsible for bad class work on the part of students than other forms of amusement. We are of the opinion further, that such recreations as are now allowed students should not be curtailed to any great extent by the college authorities. We would recommend, however, that next year the regular student dances be given once a month instead of every two weeks; and that the Juniors and Seniors be granted the privilege of giving several additional class entertainments during the year, if they so desire."

(signed) Jo. H. Kastle, Chairman.

As a committee upon the Commencement  
program, the President appointed the Deans of the  
several courses of study.
