

Banes -

(about line or impis)

Regret counsel held hearings on Sunday - based so long it was
addressed with facts to tell him of those jobs or followed because of testimony the

Clayburn Bowling, Ky. King Coal Co. Wallis - made U. M. W. A.

Harlan contract calls for 7th day. Usually works over but not paid

some card. secret in relation to tipple & other dep. were

members in local but just quit coming & at last meeting only 4 or 5

prevented from coming. I didn't know of anyone else. Because of union

wouldn't doubt that part of dangerous for U. M. W. A. Rep. go into Harlan Co.

Wm Shackleford, Ky King 14 mos. Coal loader - not discriminated U. S. A.
of mine act. no "gunmen" but have deputy sheriffs. Gambler and
Kev. Lee but witness says had no contacts with Lee.

Wm Clouty, Union org. Wallis - said Harry Boddy, contractor & deputy -
armed with 2 guns + rev. Lee not arrested on warrant for assault
Carl Williams. Someone shot mortars into his house. Dynamite but
fuse but did not go off. Called middle of night but Sheriff said
could not come or send deputy. Boddy said mid. Bar
Harlan County. Law abiding citizen, own home. Next day sent
men to investigate. Said mid. told him he better to leave
Harlan than be killed. Said 30 or 40 dep. at Fowler Hotel
& came in and out several times. Maj. of Harlan dep. employ
by coal Co.

A. J. Pace, int. rep. U. M. W. A. - went to Harlan hotel & asked for rooms but
said couldn't take him when he told 'em he was U. M. W. A. rep. "They will
blow up my hotel". ~~man~~ ~~Blow~~ ~~up~~ ~~my~~ ~~hotel~~. ~~man~~ ~~Blow~~ ~~up~~ ~~my~~ ~~hotel~~. got register. Postmaster refuse
rent box to U. M. W. A. but would to individual & Kev. Lee asked Carl
Wm what do; to him keep out Harlan Co. - struck him over head
with pistol. Slipped out of hotel & went to Va.

Banes say "If man in house with gun on him I'm going
to take it off him. I'm old & not strong but I say
I'm going to take it off of him". (applause)

Seems Harlan has unusual number of dep. sh. & more
than other counties.

no operator represent. Present.

Bittner - If gov. of Ky fails remove mid. & 14 dep. sh. & 190 dep. sh. & 190 dep. sh.
then matter will be placed before Pres of U. S. & see
that N. R. Act is preserved - see coal op. observe provisions
of Code & if cond. in Harlan existed in every other
County U. S. would be destroyed in 24 hrs. Harlan
greater menace to U. S. than Germany - middle
greater enemy of U. S. than was Kaiser of Germany.
I'm saying that as a direct representation of Pres of U. S.
