Dear Carolyn:

This is just to let you know that word from Bob Shepherd reached me about Victor. I offered Mass for Victor last Wednesday or Thursday as soon as I heard from Bob, and have been praying for him continually. I do think the help of the Church is a good thing, on his journey: I was not in a position to do much myself being out of my diocese there. But anyway I know that the mercy of God will be with Victor and he will find his way to where there is light and peace. I keep you both in my prayers. Blessings always,

Tom
