

East Brady, Pa., 5/24/99

Our Dear Cousin;

We hereby  
tender our congratulations to  
you upon your having finish-  
ed your high school studies.

Being about to 'commence'  
that part of life which im-  
poses greater responsibilities,  
which, if faithfully assumed and  
patiently borne, will bring  
their commensurate reward.

May you as ultimately  
triumph in life's trials as  
you have in those of your  
student days.

Your affectionate cousins  
Alice + Tom.

Love to Uncle Harry, Aunt Belle  
Jennie (the Turk) and Elmer.
