Dear Bel

I received yours on yesterday
was pleased to hear from you once more -
I will write Winship and let you ^{know} what
he says in reply, tho he may not answer
my letter if he dont I can go to At-
-lanta any day and see him and will
what did you do about the sale of the
Columbia engine & boiler - I drop't the matter
after hearing from you, I thought by what
you said that the sale of the boiler was sure,
I might have sold the whole for \$3800 -
at the time I got your letter, I made
no further effort - I think it a bad
plan to sel the boiler and not the engine
unless we can get enough for the boiler to pay
for both, as the engine is old & of no use
to any body - I would like very much
to have the iron you have laid off to send
me - I am very much ^{glad} to see that
you continue to have anything to do with
Brook - you will find him to be
