

take selfa yours... hope to give you
in a history... to get
reply... you say it
has been... since you write
... not anxious to hear from me
... you say you anticipate...
... but I am...
... will hope for the best...
... but should...
... you know I never...
... well while I am...
... think reading...
... I think...
... is still in the...
... all danger...
... bengalis...
... all gathering...
... from my...
... day...
... and not...
... are the girls...
... such...
... in the...
... the...
... I would like...
... see this...
... this very...
... you...
... spoke very...
... from me...

Chicago...
Sunday...
Chicago...
This pleasant
a Sabbath day I am...
last week...
... you...
... notice that...
... a view...
... hope you...
... the...
... great to you...
... new...
... for the...
... nearly a...
... in it...
... since...
... the...
... through...
... interesting...
