

Dear Brother

October 31: 18:59

Thinking you would be glad
to know what conclusion we have
come to I write to inform you
we have concluded to do the business
our selos so that every child will share
alike we can do it without any expancee
to the estate where as if we go to court about
it each child will loose all of the children
are willing for every thing to be sold land
negroes stock crop and every thing else and
Livide spiles with each child negroe are selling
very high ~~one~~ negroe ten to twelve years old
is bringing \$1000 dollars and upwards if you
cant be here at the sale and wish for Caroline
and ~~and~~ to be sold ~~at~~ the sale I will tend
to it for you if you wish for this to be done
say what your price is for them and if thay dont
bring it why I will take them to my house
and take care of them untill I see you as request
in your last letter the dower negroes cant be
divided without good deal of money passing from
one child to the other that is why we have ~~and~~
concluded to sell them as I told you before
they are selling awfully high and now is the
