Dear Brother; June 14th

These letters came soon
after you left here, but as we did not
then know your address could not send
them & had to remove the envelope as we
had more large enough, so I will scribble
a little and send it a long guess there is
no harm done as it is all in the fam-
ily, he'd your letter last week we
answer it in a week or two, we have
had heavy rains since you left but every
thing is looking fine now, think we
will have good crops this year
Bill is not done shearing yet, Elmina

Dear Absent Brother

I now set
myself to try and answer your
very welcome letter, which I
received a week ago. we are all
well except Henry, he has got
a hard cold. It has rained
hard all the forenoon, looks as tho
it was going to clear off now,
The wind is north and blows
quite hard. every thing seems
to grow and looks pretty well.
I guess all most every one has
got their planting done. Henry
