

Dreßburg July 15<sup>th</sup> 1772

Brother George

Your letter of 5<sup>th</sup> of July  
came safely to hand and whitch I find  
the sum of \$25 as I consider a  
sufficient amount to defray all expenses  
or charges against you whitch I hope will  
prove satisfactory to you. I have no news  
of any importance to write you at this  
time that you are not acquainted with  
I suppos you know that I am a Resident  
Dentist of this place. And am glad to  
say that I am doing as well as could be  
expected for a young hand at the business  
and such strong oppositions of more experience  
hand than I am. But no better operators  
in my estimation. You say you wrote to Robert  
at the same time you did me whitch I know  
he is glad to receive from you. For a letter  
from you is a perfect treat to the whole  
Family

Yours
