received your welcome letter. but to
tell the truth I have not had time
to answer it before I dont feel like
doing any thing it is so warm did
you ever see such hot weather in
your life it does seem as though we
should all die the thermometer has
stood a hundred & six and a hundred
and eight in the shade I was glad
to hear you was well and having
such a easy time. we are all I
well here and were at home
to day so Ot sed. I saw her to
morrow. she is to Charlies yet
I expected you would like the went
so well you would stay and not
