Dear Friends at home

I was more than  
glad to hear from you this evening  
It found a feeling like a skelton  
I saw Libby a few months ago before  
she was going on west the next day.  
I have not quite a good way that I  
have seen before, but few from America  
There has been a way to nearly where  
I heard that is a night lot of Gilbert  
in 'em I took a tramp through the  
Colorado buddy and Washington buddy and  
California buddy yesterday and spent  
about ten hours in the Transportation  
buddy, I think most impossible to get  
so much to get there is such a short time  
I wish you could all be here and  
look the Captains over I shall spend  
more time looking around if possible
