

*My husband or person
that was ^{with} me
I will send you some dried Black
berries ready growned for Deurthou
take a gill of the berries and pour
a half a pint of boiling water on
them and take a teaspoonful of
it every hour until the disease
is checked I want you write us about
some of your travels it would be
interesting to us anything you write
is new to us what sort of a cook do
you make all the soldiers brag about
their cooking I suppose you think
you can keep up with any of them
All the kin are well as far as
I know be sure to write soon
and often Your affectionate Mother

My dear Caleb

*I received your very
kind letter was very glad to hear
from ^{you} but sorry to hear you had been
sick I hope you are enjoying good
health before this time
I have been very sick ^{with} jaundice
since I wrote to you last but am
much better I think I will be well
in a few days. Andy is gone to
Richmond your Pa hired him to
Col Sanders when he was there
he tried to get Coker to go but
he could not go Col Sanders said
if he could get a cook he would
take Flarvey in his mess so he*
