Mr A Smith

Dear Sir

I find it will be some time before I will be allowed to come home and I understand the Circuit court is over so I would like to know how you get along in getting judgments and those notes of mine that you have for collection and what the prospect is for collecting them

I know it will be some time before they can be collected but I want to know whether there was any plea put in against any of them or not and if you get ~~any~~ judgement and them and if you have any other news to write please let me know it I and now in Nicholasville and I have 20 men under my care I am guarding this place and the Bridge at the Sky river but I expect to be ordered to Lexington in a few days so when you write you can direct your letter to Lexington
