Dalton Ga April 15<sup>th</sup> 1864

Mr Wynne Sir

I recend you will be  
Somewhat Surprised upon the reception of  
this, but Strange things takes place in war  
times - I have been with this Army since  
May - our whole Command was  
located at Arkansas Post in May - 63  
exchanged at City Point in July &  
this Army until the the  
being in Middle Tennessee  
our retreat from Tennessee  
through Genl Bragg's Army  
to keep us on this side of the river  
I have never been able to find any one from  
my old neighborhood since I have been  
here - I concluded I would write to you  
and try and find out where Billy Funtz  
was if in the Army if so what Co Regt  
Brigade & Division - if any of the boys  
from the neighborhood was in this Army  
I have no army news - my lying still  
awaiting the movement of the Army
