

Mama is a great deal better today,
but she is still sick in bed.

I am so sorry that Uncle Lewis
is sick but I hope that he is better
by this ^{thing} I am very much disappointed
that your mother and aunt Mary
can not come and see us this
summer.

I can ^{not} think of any ^{thing} to say. I suppose
you know that Fannie Croles has
gone to Europe but that was a
good while ago for they went in
February, the last time I heard
from her she was in Florence,
so now I am left all alone for
there is no one in the Park to
go with now.

It is just like Spring to day
but it has been very disagreeable
for the last two or three days
I guess mama has told you that
Papa has gone down to his
father's.
