On January 21st the Lexington W. C. T. U. accepted the invitation of the Fayette Equal Rights Association, and a conference ^{meeting} was held ~~at~~ ⁱⁿ the Woman's Club rooms on important Legislation topics.

Mrs A. M. Harrison was in the chair and, after prayer, the minutes of the Equal Rights Association for Oct. 29th were read and approved.

The roll call was omitted and Mrs Harrison ^{a musical program} made some ^{was beautifully rendered by Mrs. Per the Company + Mrs. Laura Corbett} introductory remarks about the measures to be discussed, which were the bills for Compulsory School Attendance, School Suffrage for women who can read and write the English Language and Co-guardianship of father and mother of minor children.

Mrs M. A. Scovell opened the discussion.

21
on educational qualification for voters,
which she approved.

Mrs Mary E. Roark said that in 38
counties in Ky. the balance of power is
with illiterate voters. In States having
school suffrage for women, the percent
of illiteracy is small. In Ky 58
per cent of the children never go to
school.

Mrs Sue B. Scott dwelt on the duty
Christian women owe to schools and
thought Lexington women had not done
their full duty where Lexington had
School Suffrage.

Mrs E. D. Potts explained the Compulsory
School Attendance Bill pending
in the General Assembly.

Mrs Laura Celay made some remarks
on the bill of Co-guardianship of father
and mother.

Other ladies made brief remarks.

Dear Suffrage Friend,

The Fayette E.R.A. has adopted the Card Enrollment plan of membership, as described and recommended in the clipping from the Ky.E.R.A.Nwwsletter, which I enclose. We have not yet received a card signed by you; and I am taking this opportunity to enclose a card and ask you to return it signed, ~~whether you care to contribute or not.~~

November 1st, 1910.

Member of the Fayette Equal Rights Association.

Dear Friend,

The annual convention of the Kentucky Equal Rights Association is to be held in Covington Nov. 14-16, 1910, and our branch ought to be fully represented by delegates. Though the payment of dues is not a requirement for membership, yet it is for representation in the State and National conventions, being a source of funds for carrying on the State and National work; and every branch should have ambition to send dues for all its members. The Fayette E.R.A. now has more than three hundred members, and if we pay the State and National dues of 35 cents per capita and keep something for local expenses, such as rent, literature, etc., this year we shall require approximately one hundred and fifty dollars. Therefore I am sending you our annual appeal for a contribution to these expenses, not of necessity as membership dues, but as a free-will offering to the cause of Woman Suffrage. Contribute as liberally as you can, since in such a large membership there are some who cannot give anything; and do not refrain from giving what you can because you may not be able to give much. Every gift will be gratefully received.

Please send as soon as possible to the treasurer at 189 North Mill street, Lexington.

Faithfully your co-worker,

Sandra Clay,

Treasurer

of Fayette Equal Rights Association.

To the Members of the Fayette Equal Rights Association.

Dear Friend,

The 21st annual convention of the Kentucky Equal Rights Association is to be held Nov. 14-16, 1910, in Covington; and our branch ought to be fully represented by delegates. Though the payment of dues is not a requirement for membership, yet it is a requirement for representation in the State and National conventions, being a source of funds for carrying on the State and National work; and every branch should have ambition to send dues for all its members. The Fayette E.R.A. now has more than three hundred members, and if we pay the State and National dues of 35 cents per capita and keep something for local expenses, such as rent, literature, etc., this year we shall require approximately \$150.00. Therefore I am sending you our annual appeal for a contribution **to** our expenses, not of necessity as membership dues, but as a free-will offering to the cause of Woman Suffrage. Contribute as liberally as you can, since in such a large membership there are some who cannot give anything; and do not refrain from giving because you cannot give much.
