Judge and Mrs. Joseph D. Harkins

Dear Friends:

This is my very personal invitation to you to be present on the occasion of the dedication of our new hospital annex, on Sunday afternoon at 2:00 o'clock October 12 (EST).

You have meant so much in the progress of this venture that we would be greatly disappointed if you were not here.

Bishop Watkins will dedicate our building and of course the program will be full, but I want to present you for recognition, and if you like just a word of greeting.

Always awaiting your pleasure, I remain

Very sincerely and cordially yours

Thos. B. Ashley
