

A- I think so; I dont remember.

Q- You paid off the executions?

A- I dont know what cases I paid off the executions;  
I cant recall that.

Q- Why was it, Mr. Carter, the Shawsville Office,  
didnt pay these things? You notified them. Did they  
give you any reason or excuse?

A- A number of times; so hurriedly and quick done  
didnt have time. I have wrote them several letters about  
them and never could get a reply.

Q- Havent you got any of those letters?

A- I dont know; I might dig them up if I was at  
home.

Q- Dont you know it might have been important to  
have this for you to present on that question?

A- No. A number of things come in here I had no  
idea would come in.

Q- <sup>that down here in Kentucky</sup>  
Do you mean to say/they were taking judgments  
so quick you couldnt get the money to ~~any~~ pay them off?  
You know they would get you in time to let them know that  
before taking judgment against it?

A- They might, and might not; I dont remember.

Q- They were taking judgments against it so fast  
you couldnt get the money from the Shawsville office to  
pay them off - to pay the claims in time?

A- I didnt say that.
