Students are to be instructed to go directly to their classrooms after Chapel exercises, without marching down stairs to be formed in sections by the marchers. This is done to save time, complaints having been made by several Professors, that their classes from 12-11 are cut short by 15 to 20 minutes at present. There being no more business, Faculty adjourned.

A. M. College, February 21st 1890

Faculty met in called session at 12 M. in the President's room. In the absence of Pres. Patterson, Prof. Stanleford takes the chair. All members present except Prof. Pence. Objects of meeting to hear the appeal of Casels Mills & Hardin from the decision of the Dormitory Board. Col. Clark, Chairman of the Board, states that Casels Mills and Hardin having been accused of committing a nuisance in the Dormitory, the Board had heard them; they had denied the charge, but testimony being very strong against them, the Board had held them and especially the room orderly responsible and had decided that they must leave the Dormitory unless they could point out the guilty party. Faculty decided to punish the room orderly, Casel Hardin who had been absent from his room (residing another room) by two weeks confinement to quarters and walking daily one hour each weekday during the two weeks.

Casel Wallis presented petition of several Casels to be allowed the use of the mess hall in the new Dormitory once a week (Saturday night) for the purpose of having a dancing school. The Faculty not deeming themselves competent to dispose of any rooms in the College Buildings the petitioners were so informed. Faculty then adjourned.
