Dec 25 [1964?]

Dear Victor & Carolyn.

I think of you on this Christmas morning & will remember you both as I go down to mass. May God bless you both, & bring you closer to Him always.

Looking forward into the next year. Jan is very busy for various reasons is pretty occupied, with a long silent period when everything is closed up.

I think February would be best. Pick your own day & let me know. So far all is free. The 5<sup>th</sup> would be good.  
All blessings,  
Tom
