## May 15 Is Postmark Deadline For Deferment Test Letters

Students desiring to take the Selective Service Classification Test in an effort to obtain deferment from the draft for at least another school year MUST apply for the test by May 15. All applications postmarked after that date will not be considered. Maj. Lewis B. Herdner, Director of Selective Service has announced.

And before students will be permitted to take the test, students MUST first obtain examination cards from their local draft boards.

Dr. Lytle W. Croft, director of the UK Personnel Office, has declared that the Selective Service Department has all but demanded that every student eligible for the draft take the forthcoming test. Draft boards may, under present regula-

tions, have deferments of college students either on the score made in the aptitude test or on the student's overall academic record.

"But it is not inconceivable," Dr. Croft has warned, "that the present deferment rule may be changed so as to absolutely require the aptitude test. In that event, students who have not taken the test might encounter difficulty in getting their induction postpones."

The tests are to be given at UK May 26, June 16 and June 30. They will be given here, however, for Transylvania, College of the Bible, and UK students only.

Place and hours at which the examinations are to be given will be announced later.

## Big May Day In Preparation

### Parade, Coronation Top Attractions

May Day festivities will begin at 1:30 p.m. tomorrow with a parade of floats sponsored by sororities, fraternities, and residence units. Winners of the competitions will be awarded trophies by Saky, sponsor of the May Day celebrations.

This will be followed by a program by Tau Sigma, marching band, and Pershing Rifles, who will form honor guard for the dance.

The annual celebration will be climaxed by the May Day Dance from 8:30 p.m. to 12:30 a.m. in the Bluegrass Ballroom of the Student Union Building. The Band and Orchestra will furnish music for the dance.

## SGA—Past And Future

The number of votes cast in last week's Student Government Association election can be considered encouraging, even though the total was somewhat under that for last spring. Fourteen hundred votes from over 5000 students is really isn't good, but it's much better than it was two or three years ago, thus seems little room for complaint.

The Kernel congratulates the winners and wishes them luck for the coming year. We believe SGA has shown that it has a good chance of getting on its feet again. With proper support from the students, it should have a successful year.

We hope the two-party system will become a permanent part of the SGA set-up. A party which functions as a continuous organization and takes part in both fall and spring elections could be more effective than the present method of re-organizing the group every spring. In this way, both parties could face the issues in the coming election and make plans for a sound, workable platform. Competition makes for a more efficient, alert SGA.

## Tangible Honor

The individuals and corporations who made possible the awards and scholarships presented at last night's Honors Day Convocation have invested their money wisely. By donating various prizes and grants in practically every field of study, they have expressed their interest in the University in a concrete way. Their investment in the education and training of future citizens will continue to pay off for years to come.

Honor and recognition rightfully goes to those who win these various awards each year, but the donors must not be forgotten. The University would be unable to reward its honor students in a financial way if it were not for these interested and farsighted friends.

Comedy Is Fresh In Guignol's 'Harvey'

By Norman Cordell

A big white rabbit seemed quite real to theater-goers this week, as the Guignol Theater brought 'Harvey' to the stage with Producing Director Wallace Briggs as a host wonderful alcoholic, Elwood P. Dowd.

Through the various Broadway productions of 'Harvey' and the recent movie, nearly everybody has seen at least one version of the play, which deals with a Pooka six-foot-one-and-one-half inches tall whom most people do not see.

ELWOOD P. DOWD is the despair of his sister Veta Louise Simmons, who cannot get a man for her daughter Myrtle Mae because of Elwood's association with "that rabbit." Veta attempts to have Elwood committed to a sanitarium, and most of the play centers around this action.

Wallace Briggs and company made that rabbit seem so real that one sometimes wondered if he really really there on the stage.

Even to those who have seen 'Harvey' many times, the comedy is ever fresh, and the homely (although sometimes screw-bally) philosophy of Elwood is always entertaining.

ACTOR-DIRECTOR BRIGGS was especially good in acting a part which has claimed the services of several outstanding Broadway stars.

FORMAL INITIATION has been held by the Sigma Phi Epsilon fraternity, and the following men were initiated: Joe Deming, Payton Creech, Bruce Graham, John Hall, Ray Hickerson, Bill Green, and Willie Walker.

CUPIPS PAPERS Finned Phyllis Ratliff, to Gene Bissell, KS Maureen McLeod, KAT, to Ed Pissett, KS Phyllis Deen to Lee Baker, ATO Neil Tufts, to Zeb Blankenship, PhiK Cynthia Cunningham, AGD, to Bob Gipe, KS Cuppa Glenn, AGD, to Charles Adams, SE Norma Boster, AGD, to Charles Adams, SE Mary Blanton Williams, AGD, to Bruce Cotton, AGR Doris McGary, DDD, to Larry Myers, SPE.

Radio Arts Department Gets Honor

The Department of Radio Arts has been admitted to membership in the National Association for Professional Radio Education, Prof. E. G. Sulzer, head of the department, announced last week.

As a result of the Association's action, the department becomes a fully accredited member of the country's most elite organization of college and university radio departments. There are more than 100 American institutions of higher education which offer training in radio arts, but less than 20 have been accepted as members of the Association.

### Who Does Your Thinking?

Must we believe that there has been only one mad man, and that he was God? Did Adam and Eve, by eating a fruit or by disobedience, make all human nature sinful from then on? Unitarianism is the perfect outlet for those questioning, practical-minded people who seek a religious faith which they can accept in all honesty. It is a believable faith, that gives full play to rational thinking. Thousands who now attend no church are Unitarians without knowing it. If you want to know more concerning this free faith based on reason, attend the next meeting of the Unitarian Fellowship of Lexington, Sunday, May 13, 8 p.m. in the chapel of the College of the Bible opposite Memorial Hall. Rev. Robert F. Weston, Minister of the First Unitarian Church of Louisville will give the fourth of a series of sermons on RELIGION and FREEDOM entitled "A Tip From the Beast to Man."

### Chi Delta Phi Announces Publication Of Sixth Annual Edition Of 'Vague'

By Martha Tarpley  
Vague, the UK campus magazine, is off the presses and will go on sale today. Members of Chi Delta Phi, honorary literary society, and the English Club will sell the magazine. The price is 25 cents. Vague booths will be located near the SUB, the Fine Arts Building, and the Campus Post Office.  
This year marks the sixth annual edition of Vague at UK. Prior to its publication, UK had had its own magazine for several years. When Chi Delta Phi decided to establish a magazine, they were encouraged by a donation of \$100 from SGA.  
THE FIRST PROBLEM faced by the new editorial staff was the choosing of an appropriate name. All members of Chi Delta Phi, and the Journalism and English faculty were asked to submit 25 names for possible use. Hundreds of suggestions were turned in but all seemed too trite or were too similar to the name of a campus organization. Finally, after an extremely heated session during which no one could agree on a title, one member is heard to exclaim, "This is the vaguest thing I ever saw!" Since then, the UK magazine has been known as Vague.  
At the start, Vague was able to bring going on advertising profits alone. Recently, however, a new ruling by the Lexington Chapter of Commerce on advertising selling and increased cost of publication made this impossible. SGA gave \$100 and Phi Beta gave \$10 to the Vague fund this year.  
VAGUE SPORTS a collection of well-known events among its past authors. Perhaps, the most famous of these is A. H. Collins, who was awarded a Pulitzer Prize for fiction and is now working in Hollywood on the filming of another of his novels. Among other former contributors, one is writing a novel due for publication soon, two are studying in Paris, several have scholarships in American schools, two are newspaper reporters, and one is assistant to the Dean of Women at Christian College.  
This year's Vague comes up to the standards set by its previous writers and is rated as one of the best in campus literary publications. The 1951 Vague contains a complete play, a poem that won the national Chi Delta Phi poetry award, and a poem that has been selected

# I-M Softball In Semis

## Three Teams Still Unbeaten in Meet

Men's Dorms overcame an early deficit Wednesday afternoon to beat Scott Street Barracks, 6-3, in the winner's division of intramural independent softball.

Scott Street's loss was its first of the season and thus gives it a shot at the number one spot in the losers' bracket of the tournament. The Barracks will play the winner of yesterday's game between BSU and Farm House this afternoon at 4 o'clock.

If Scott Street wins, it will play the Dorms again on Tuesday in the championship series for the non-Barracks. Another win for the Barracks will demand a third and deciding game for the title.

Sigma Nu eliminated Alpha Sigma Phi from the losers' division of the fraternity tournament Wednesday afternoon. The game lasted almost two hours before the Alpha Sigis finally bowled by 12-6.

On Tuesday Phi Kappa Alpha shaded Triangle, 3-2, in the upper bracket of the Greek semi-finals for the winners. The win pits the Phi Kaps with Delta Tau Delta, which won over Phi Sigma Kappa by 2-0 on Friday before the rain set in. The game is scheduled for Monday.

Phi Delta Theta dropped Sigma Alpha Epsilon from the losers' division on the same day by a score of 8-4. Sigma Nu also beat Kappa Sigma, to counteract a first round Kappa Sig victory. The score, 9-8, eliminating the Kappa Sigis.

Zeta Beta Tau and Sigma Nu were set to play yesterday afternoon in the lower bracket losers' semi-finals. The lower bracket semi-finals, Triangle and Phi Delta Theta, were scheduled for the second of the pair of fraternity contests.

Phi Sigma Kappa will be waiting to meet the ZBT versus Sigma Nu winner today at 5 o'clock p.m. That winner will play the winner of the Triangle versus Phi Delta Theta game, which should have taken place yesterday.

# SAE's Lead In I-M Points

Heading the list of fraternities in the race for the participation trophy in intramural sports, released by Director William McCubbin, this week is Sigma Alpha Epsilon.

The position comes as little surprise for followers of the I-M picture who have watched the SAE's sweep to the two major sport championships this year in football and basketball.

They are ahead of Delta Tau Delta, the second place fraternity, by a dozen points and hold a 21-point lead on Sigma Chi, the number three competitor.

However, the SAE's will have to come through in the remaining events of tennis, golf, baseball, and track to preserve their hold for first place. They have already been eliminated in softball and the Delta stand to gain some ground with their undefeated diamond team.

Sigma Nu follows Sigma Chi, in fourth place, only nine points behind. Phi Kappa Alpha, also a softball hopeful, trails Sigma Nu by a slim four points in fifth place.

Following is a complete list of participating fraternities with the score to date. The totals include tennis singles and doubles, fall tennis singles and doubles, free throw contest, wrestling, fall golf singles and doubles, basketball, badminton singles and doubles, and bowling.

Sigma Alpha Epsilon, 72; Delta Tau Delta, 61; Sigma Chi, 42; Sigma Nu, 32; Phi Kappa Alpha, 29; Beta Sigma Rho, 25; Alpha Gamma Rho, 20; Kappa Alpha, 18; Sigma Phi Epsilon, 15; Phi Kappa Tau, 12; Alpha Tau Omega, 11; Kappa Sigma, 9; Lambda Chi Alpha, 5; Phi Sigma Kappa, 4; Zeta Beta Tau, 4; Phi Delta Theta, 3; Triangle, 1; Alpha Sigma Phi, 1; Tau Kappa Epsilon, 0; Delta Chi, 0.

# Only One UK Fencer Gains Second Championship In Row

## Coach Breckinridge Is Only Repeater

Only one of last year's Kentucky fencing champions repeated his performance this year.

Scott Breckinridge, amateur coach of the UK fencing team, again edged out his star pupil, Captain Alan Solomon, to win his first state title. Borge took second place, as Captain Solomon took third place and Bob O'Nan, UK junior now also reached the foil finals, placed fourth.

Also entering the tournament from last year was Tom Owen, a freshman who gave a good account of himself. Tomorrow, Coach Breckinridge will send his charges against a visiting Indiana University team in a post-season meet. Coach Breckinridge has declared his intention of using the nucleus of next year's team against the Hoosiers. He scheduled this meet to provide competitive experience for this year's freshmen.

Members of the UK freshman team are: Captain Bill Hancock, Tom Prother, Tom Owen, John Foley, Charles Bassett, and Bob Coleman. In addition to helping fence Indiana's varsity, they have a meet organized with the Indiana freshmen tomorrow's meet, which is open to the public, will be held in the Memorial Coliseum at 2:00 p.m. Entrance may be obtained through the Ken's Swimming Pool Entrance. # Cats Play Vols Again

## Only Four Games Remain On Schedule

Kentucky's win one, lose one Wild-cats, still holding an even season record with seven wins and seven losses, will go up against the 1951 SEC Champion Tennessee Vols today and Saturday in games at the Knoxville park.

The contests are the next to last pair of the season for the Cats. They leave Tennessee to go to Georgia Tech and wind up their season.

Frank Ramsey, slugging along with a heavy 410 batting average, is leading the Cats in that department. He has socked out 23 hits in 56 times at bat, including three home runs.

Kentucky will have to win three games on the Southern trip while dropping only one to come out with an even won-lost record in the SEC.

The Cats have a 4-6 conference mark.

Nick Gamboa, reserve infielder who has played in four games, is second to Ramsey in hitting percentage, batting an even 400.

Also in the running for the UK batting crown are Bob Terrell, third baseman, with a .363 average; Larry Jones, shortstop, batting .348; Dominic Pucci, catcher, hitting .333; and Walt Hirsch, first baseman, with a .339 average.

The batting averages were figured on all games up to today's match with the Vols, including the 10-11 tie game Kentucky played with Vanderbilt in its season's opener.

Guy Strong, with a 2-1 pitching record, will probably be on the mound for the Cats today. Al MacLeod is expected to be the starting hurler for Saturday's contest. Kentucky's only other moundman with a better than .500 hurling average, part-time pitcher Walt Hirsch, may see action against Georgia Tech.

Every member of the 19-man squad has seen action this season.

# Cat Nine Defeats Cincinnati; Drops Two Games To Vols

Kentucky closed its home schedule with Cincinnati Monday, averaging an earlier defeat at the hands of the Bearcats with a 12-7 victory.

Left-handed Walt Hirsch pitched the game for the Wildcats, going all the way to gain his first win of the year. Ordinarily a first baseman, Hirsch allowed only seven hits in his initial appearance, but walked 10 batters.

Kentucky jumped Cincinnati's starter, Bob Rain, for three runs in the first as Tom Whisman and Ben Zaranaka walked and scored when Don Pucci laced a double to right center. Pucci counted the third on a single by Larry Jones.

Bob Terrell sent a hot bouncer back to the mound in the second inning which caremof off the leg of Rain. Terrell stole second and went to third on an error. Whisman brought home with a single.

With the score standing at 4-0, Cincinnati came up in the third with a threat. Bob Borcherding hit a home run with two mates aboard and the Cat margin was narrowed to one run. Kentucky retaliated in its half of the third with a four-run outburst.

Allen Hamilton walked and went

to second on Pucci's single. Larry Jones attempted a sacrifice and was safe at first when no one covered the bag, leading the bases. Harry Jones batted in the first two on a double, then Larry romped home on an overthrow at the plate. Harry counted the fourth run of the inning when Holstein indicated trying to catch him stealing home.

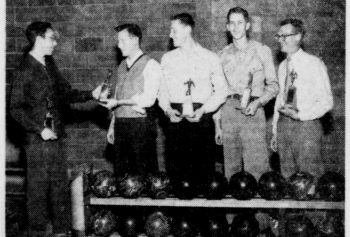

Allen Hamilton matched Borcherding's four-base when he socked one in the Wildcat's three-run seventh frame. In all the Kentuckians got 12 hits, scored by Larry Jones' three safeties in four times at bat.

# Whites Wallop Blues, 21-6

Led by All-American Babe Parilli's passing and field generalship, the Whites upset the power-laden Blues, 21-6, on Stoll Field last Thursday.

With the game only minutes old, Parilli passed from his 31-yard line to Ed Hamilton on the Blue 47. Another pass to Hamilton moved the Whites to the Blue 32 and a first down. Pillion carried to the 21 on two line bucks.

In the second quarter the Blues began to look alive. Captain Doug Moseley intercepted a Parilli pass on the White's 20 and rambled to the 11-yard line. Bill Leskovar rammed to the six and on the next play
