

## Minutes of the University Faculty October 15, 1945 - cont.

Dean Taylor announced the twenty-second annual Educational Conference, and the meeting of the Kentucky Association of Colleges and Secondary Schools, October 25 and 26, and expressed the hope that the members of the Faculty would support the program by their attendance.

President Donovan commented on the increased enrollment this quarter and stated that he was optimistic about the future of the University. He expressed some concern, however, over the possibility that the state income tax would be repealed, thus decreasing the amount of money that would be available to the University. He announced that the Federal Housing Administration had approved the University's application for 200 pre-fabricated houses and that there was a possibility that another hundred might be obtained. These houses are to be used for married veterans and their families.

The Registrar asked for guidance from the University Faculty in respect to the admission of students with advanced standings whose records are such that they would have been dropped had they been attending the University. Under the regulations of the Faculty such students were not to be admitted. The Faculty voted that the Registrar's Office might exercise some option in the case of a veteran who faces such a problem, more particularly when a three-to-five-year-period has intervened between the making of the unsatisfactory record and his application for admission.

The following request from Chi Delta Phi, Literary Recognition Society for Women, was presented to the Faculty.

Chi Delta Phi, women's literary honorary, with your consent would like to sponsor and publish a magazine for the University of Kentucky campus. Its purpose is two-fold; to promote a more unified and active spirit among the students toward the University, and to afford a field for encouragement and improvement on the part of all students interested in creative writing. Although the honorary will sponsor this publication, all students and faculty members will be encouraged to participate.

The magazine will contain forty-eight pages, approximately 9 by 12, printed on slick paper. It will also contain cuts and drawings contributed as supplements. It will be financed by commercial advertisement and circulation. The price per magazine will not exceed 25 cents.

Material in such a publication will consist of poetry, short stories, essays, featured personalities, explanatory features on campus activities, and other current feature material. It will be the policy of the magazine that every article be constructive and informative, rather than destructively critical.

Miss Jane Haselden, assistant dean of women, is faculty sponsor of Chi Delta Phi.

It will be the honest endeavor of each member of Chi Delta Phi to put forth every effort in order to make possible the attainment of the purposes mentioned above.

We sincerely hope that our plan will meet with your approval.

Respectfully yours,

CHI DELTA PHI

After some discussion the Faculty voted to request the President to appoint a committee to investigate this request and to report back to the Faculty. The Faculty was particularly concerned about the difficulties that might arise in financing the requested publication. The Rules Committee was subsequently assigned this responsibility.

A brief evaluation was made of the work of the University Committee on Post-War Planning by its chairman. The request of the Committee that it be discharged was then transmitted to the Faculty. On motion duly made and seconded, the Committee was discharged. President Donovan thanked the Committee for the service it had rendered the University. The chairman also transmitted to the Faculty the following recommendations from the Committee on Post-War Planning: "Whereas this Committee has before it numerous problems of a long range nature which it feels are not proper to the problems of a Post-War Planning Committee, we recommend that the University Faculty consider the possibility of a standing committee whose purpose it shall be to study such problems and to suggest to the Faculty additional policies in the light of such study." Action on this recommendation was deferred until the next meeting of the Faculty.

The following resolution was read to the Faculty by Dr. Hobart Ryland.

"Professor Henry Bert Holmes, who passed away on October 31st has been here as Instructor in Spanish. He was promoted to Assistant Professor in 1929.

Dr. Holmes was born in Ewington, Illinois the seventh of November, 1875. He was a student in Central Normal College from 1896 to 1901 where he took A. B. and B. S. degrees. In 1902 he was given a position teaching English in the newly formed schools in the Philippines. He taught for two years and when he returned, he married Bertha Patton and took a position as Principal of the high school in Horse Cave, Kentucky. He then became Principal of the Oblong High School in Illinois where he stayed from 1906 to 1907. He taught Spanish in the high schools in Shelbyville and Anderson, Indiana from 1916 to 1922. During that time he took a second B. A. degree from the University of Indiana and the M. A. degree from the University of Wisconsin. In 1922 he went to the University of Indiana as instructor in Spanish and stayed there until his call to the University of Kentucky in 1924. He took his Ph. D. degree at the University of Wisconsin in 1935.

Professor Holmes liked to teach. He might have been a rich man if he had devoted himself to Real Estate transactions, as he showed a remarkable gift for buying and selling property. He chose, however, the less remunerative, but more interesting career as a teacher. His classes were always popular with the students and as he was a keen student of grammar

he was able to give them much which was to be of value to them in their University life. He was the co-author of an important Spanish Grammar published by the American Book Company.

Professor Holmes was a good husband, a loving father to his one daughter, Rebecca, a beloved member of the community, and an active member of the Centenary Methodist Church. His passing has been a sad blow to his many friends here in Lexington and in the many places in which he has lived.
