La Grange October 26th 1825

My dear friend

This letter will be delivered by Mr Truxton J. Powell of
New York, quite a stranger in France as he is just coming from London,
and who by a series of unforeseen circumstances finds himself unable
to pay the 200 francs wanting for a passage in the Steamer. Be pleased,
Dear Captain, to charge them on my account in our ~~arrangement~~
arrangement with Mr Trillock. Mr Powell's stay in France can only
increase the difficulties for him to reach Home, as he does not understand
much of the language and has no way to make money in this
country. Most truly and affectionately Yours
J. Lafayette

Mr. Powell returned to N York in the Cadmus
without charge upon Lafayette. J. L.
