V. CHANGE IN UNIVERSITY RULE

Recommendation to change the regulation governing Poor Work in English on page 30 of the General Catalog to read as follows:

Poor Work in English. Any instructor who finds the written work of any student seriously defective in its English is expected to report the case, together with specimen papers, to a committee consisting of the dean of the student's college and the Head of the Department of English, who shall have power to require additional work in composition without credit. This remedial work shall begin not later than the following semester and shall continue until the committee is satisfied with the student's proficiency. When a student is required to do this additional work, the committee will report this requirement to the Registrar, who will indicate the fact on the student's record and will notify the student that the requirement must be satisfied before he will be permitted to graduate.

The recommendation from the Arts and Sciences College concerning amendments in the regulation covering "Poor Work in English" was referred to the Rules Committee with the request that the Committee report to the University Faculty.

Dean Spivey announced that Mr. Mark Etheredge could not be present at the June Commencement to receive the honorary degree of Doctor of Laws and that the conferment of this degree should be postponed until the August Commencement.

Dr. O. T. Koppius, Chairman of the Schedule Committee, reported that his committee had been studying the University calendar as requested by the University Faculty but was not prepared to make a report. He asked permission to postpone the report to the October meeting of the Faculty. He also asked that members of the Faculty who had ideas concerning the calendar let the committee have the benefit of their suggestions.

Dr. Jonah Skiles moved that a committee be appointed to study the possibility of scheduling the summer session on a five day week basis. The Faculty approved the proposed study, and the Chairman referred this suggestion to the Committee on Rules.

Prof. Murray moved that the Schedule Committee be instructed to study the length of time between the close of the second semester and the opening of the summer session with the possibility of recommending changes in the calendar. The University Faculty voted the approval of the study to be made by the Schedule Committee.

In connection with Prof. Murray's motion, Prof. Sullivan called attention to the public relations value of short courses and interim courses which can be given in the time between second semester and the summer session.

The Chairman announced the Commencement calendar and urged that the Faculty take part in the Commencement activities. The Faculty adjourned.
