OUR LADY OF GETHSEMANI TRAPPIST, KENTUCKY

59

Aug 24.

Dear Victor

The Prospectus is perfectly all right - go ahead with it as you please. I haven't heard from all those to whom I send the Desert Fathers, but those who have responded are literally swept off their feet by it. And that is to be expected. I hope you are well - I will write more later.

With best regards to your folks - God bless you. /m Louis
