PREFACE

The publication herewith presented, an index to the probate cases filed in Waller County, Texas, is No. 237 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to the filing date of the case and the case number. The notation "no papers" following the name of the principal indicates that no case papers were located during the inventory. Differentiation between probate cases assigned duplicate numbers is accomplished by the addition of a letter following the case number and by numerals. The following numbers in series 1-1293 were not used as case numbers: 8, 87, 197, 545, 696, 942, 1092.

In Waller County the probate case papers are filed in 45 steel file drawers on the west wall of the county clerk's vault. The papers of each case are filed in separate file jackets. The file jackets are arranged numerically by case number.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Waller County follow:

Austin County, Bellville, records extant.

Grimes County, Anderson, records destroyed by fire, 1848.

Harris County, Houston, records extant.

Montgomery County, Conroe, records extant.

Washington County, Brenham, records extant.

- (1) Feb. 10, 1828 is here used as the date of the establishment of the municipality of Austin because on this date the ayuntamiento of San Felipe de Austin was installed (see Eugene C. Barker, ed., "Minutes of the Ayuntamiento of San Felipe de Austin, 1828-1832," Southwestern Historical Quarterly, XXI (1917-18), 299). It is assumed that the municipality had at this time jurisdiction over the territory of Austin's Colony as legally defined Mar. 4, 1827 (see H. P. N. Gammel, Laws of Texas, I, 50).
- (2) Gammel, VII, 501.
- (3) The date of establishment of the municipality of Washington is not known, but it was represented at the Consultation held Oct. 16, 1835 (see Gammel, I, 514). Nor has legal definition of its boundaries been found, but it is believed that the municipality included the area embraced in the boundaries of the county of Washington as defined Dec. 14, 1837 (see Gammel, I, 1391) plus the territory of the new county of Montgomery created on the same day, and described as "All that part of the county of Washington, lying east of the Brazos, and southeast Navasota Rivers. . ." (see Gammel, I, 1375). See also George W. Paschal, A Digest of the Laws of Texas, I, 189, note 325, for general description of the probable boundaries of the municipality of Washington in 1835.

* Name changed to Harris, Dec. 28, 1839 (Gammel, II, 396).
