ABBAY OF GETHSEMANI
TRAPPIST, KENTUCKY

July 20, 1960

Dear Carolyn and Victor:

Your note said that you would be back Friday so I am answering it now to say I hope to see you soon. The last ~~two~~ three days of next week, (28 -30th) would be good for me and I suppose Saturday is best for you. Just drop me a line. If those days are not good, then perhaps early in the following weeks.

Bob Lax is the first to respond to the books you sent out and he is jubilant about everything, even the way it was wrapped. He wants to send you his Circus book. You do not have one, do you? I'll tell him, if you would like it.

It looks as though you are running into hot weather. But I hope you had a wonderful time in Vermont etc. Perhaps you saw J. in New York.

We can talk about it. Glad you are back.

With every blessing and good wish

Cordially in Christ

J. Louis
