

OFFICE OF

PIKE & JOHNSON,

Albert Pike,
Robert W. Johnson, Counsellors, Solicitors, and Advocates,
P. O. Box 753. 217 H Street, Washington, D. C.

22 June 1867

Dear Captain.

I left this place in the
of April, and was absent, since and here,
for two months. I in the 6th have replied to
yours of the 2nd of April, however, some time
this: but I have had many things to do, and
time to trouble me.

I am quite sure that I am under
many more obligations to you for kindness
less than you are to me. No friends
have been kinder to me than you were; and
I shall always feel for you a warm affec-
tion; for it gives indeed very little I could
do to aid you.

I hope you have long since seen

Pike
