

Time rolls along and ere long thou wilt stand  
Herded with men and rank thyself a man -  
On thee the honors of thy house depend  
Mark well, lest in the balance they descend -  
~~A sign with thee free from all reproach and stain~~  
Since thou receiv'st them to transmit again.

Honor and virtue - purity and truth

Hence thou'lt receive emerging from thy youth  
Industry, enterprise and, for thy fellow, love  
(And these no virtues heaven ranks above)  
Endeavor thou sustain'd to keep this name  
So thou thy fellows' and God's love mayst claim.

Amigo.
