

Henry Morris - Lives near Col. Herd's - saw  
him the day he left early Co. for Missouri - knows the lower section -  
says there is no person living at mouth of Wild-cro - and but few  
if any people living in that region of the county - that Col. Herd is  
among the best citizens of the Co. and would have more sense  
than to misrepresent his land - that he is regarded as one  
of the most honorable men in the county, although he is not  
a man of much property. He has been all over that part  
of the county - it is not intrusted at all secretly.  
Herd lives 4 miles from the mouth of Wild-cro, and knows every  
foot of the land - and if a single man lives in any part  
of the land Herd knows it. He could not help but know  
it. I believe whatever Herd says about it is strictly true.
