Dear Sir:-

I acknowledge yours of the 18th instant, enclosing Mr. Warren's report of the 16th instant, with papers therein referred to, relating to the case of M. E. Edwards v. L & E, in Perry Circuit Court, a suit to recover on account of alleged wrongful ejection from train No. 4, L & E, April 12, 1914.

My opinion is that this investigation and report are ample for the proper defense of this suit.

Very truly yours,

SMW/a

Counsel.
