C. H. Moorman, Esq.,  
Louisville, Ky.

Dear Sir:

In the case in Perry Circuit Court of James T. Campbell v. L & E Ry. Co., I herewith enclose copy of Petition and Clerk's Taxation of Costs, showing a total of \$9.45. I have approved this bill, subject to correction by the Louisville office. This case was settled out of Court and the voucher in the Louisville office should be examined to see whether or not the costs were paid at the time of settlement. Of course, if the costs were included in the voucher paid in settlement, that ends it.

I tried to obtain a copy of the final Order in this case, but it has been overlooked by Wootton & Morgan in their correspondence with me. If it be found essential, however, I will renew my efforts in that direction.

Very truly yours,

Counsel.
