E. S. Jouett,
Winchester, Ky.:

Gentlemen;- I write you both so as to save correspondence between you.

The mill property was sold to day and bought in by me at \$5600.00 for the whole, My first bid was for \$201 for the part of lots 1-2-3-4-5-6 that were to be sold, \$135 for lots 10 & 11, and \$3334 for the mill. No one bid against me and I made bid on that out cry for enough to have sale confirmed without right of redemption, these amount being in each instance over 2/3 of the appraised vale.

When the properties were offered all together Puttnam bid to \$5500, the whole of our debt with costs being about \$8400.

I have made no bond and wish to be advise as to whom the Comr. shall report, ^{to be} the bidder. Mr. Jouett being unable to be present I was not advised further than that I should bid in the property in certain limits. Advise at once as we wish to get the sale confirmed at the present term.

Very truly,

Alfred Riddle
