Dear Sir:-

Herewith enclosed find bill for Judgment and Costs, together with attested copy of Judgment and Clerk's taxation of costs in the case of Leah D. Farler v. L & N Ry. Co., which was tried at the recent term of the Perry Circuit Court and in which plaintiff recovered Judgment on September 23, 1914, for \$150.00. While the Judgment bears interest from the date of its rendition, I am inclined to think that if a voucher is issued promptly, there will be no claim to interest asserted by the plaintiff. The total amount of costs is \$46.65 and I will be obliged if you will kindly have voucher issued right away for the Judgment and costs aggregating \$196.65.
