Mr. G. W. Cann, Clerk,  
Beattyville, Ky.

Dear Mr. Cann:-

I have received here your letter enclosing statement of costs in the Squire Crawford case, and as I don't remember the Judge's statement very clearly and don't wish to do any injustice to anyone, I am taking the liberty of delaying the matter a few days by sending this statement of costs to Judge Lewis with the request that he check what it is he wants me to pay.

I want to compliment you upon the very clear taxation. It is more satisfactory than any I remember to have ever received from any clerk.

Yours very truly,

ESJ/CCP.
