Crawford v. L. & E. R. R. Co.

March 28th, 1911.

Judge G. W. Gourley,
Beattyville, Ky.

Dear Sir:-

In the Crawford case you will please summon the following witnesses, whose addresses are as near as I can locate them indicated. If there is any mistake in the residence you will please, of course, see that the subpoenas are issued to the proper county:

C. B. Waller,	Tallega.
William Jones,	Jackson.
Jesse Greer,	Tallega.
C. N. Williams,	Lexington.
Dr. R. R. Johnson,	Tallega.
William Gabbard,	Athol.

If you will send subpoenas for the Lexington and Jackson witnesses to Mr. McDowell at Lexington he will have them to accept service.

I am not sure whether an order was ever entered in this case for a physical examination, but if not will you please have it done.

Also advise me as to what, if any, rulings have been made upon the pleadings.

Yours very truly,

ESJ/CCP.
