Mr. B. D. Warfield,  
District Attorney,  
Louisville, Kentucky.

Dear Sir:--

Referring to the suit filed in Lee County styled Emily Smith vs Louisville & Nashville Railroad Company and J. C. Williams.

This suit is one which should be taken care of by our contractors, the Mason & Hanger Company, under the terms of their contract and I attach a letter from them addressed to the Louisville & Nashville Railroad Company stating that they will undertake the entire defense of the suit.

I am sending copy of the letter to Mr. Wilson since I believe Mr. Hudson referred the papers in the case to Mr. McDowell for handling.

Yours truly,

*J. H. McCall*  
Chief Engineer of Construction.
