Dear Sir:

Replying to yours of the 3rd instant (your file No. 1967), in reference to claim for attorney's fee by J.W. Hall, Esq., of Hazark, Ky., on account of alleged employment to represent one Harrison Banks, of Lothair, Ky., and returning herewith the letter addressed to you by Mr. Hall, under date of November 27, 1915, I incline to think that we are in strictness liable to Mr. Hall for a fee and, since he has offered to accept a fee of \$5.00 in settlement of his claim, I believe it would be good business and the proper thing for you to pay this claim.

Very truly yours,

enc.
