File 51.

Messrs. Wootton & Morgan,
Hazard, Ky.

Dear Sirs:-

Referring to yours of 9th instant in regard to death of
A.B.Sizemore, November 10th.

On looking through the papers I do not find a statement from
Fireman O.L.Stevens, who says that he signed a statement in your office
with the other men. If this is correct, will you kindly send me a
copy of his statement.

Yours truly,

Manager.
