

May 31, 1915.

Hon. H.C. Williams,  
Louisville, Ky.

Dear Sir:

Enclosed I hand you deed from Samuel Bentley and Sarah Bentley, his wife, to L & E Ry. Co., of December 5, 1913, for right-of-way on Potter's Fork of Boone, in Letcher County. I also enclose copy of a letter of the 29th received from Mr. Lewis B. Harvie in reference to the proposal to have this deed revised. I have carefully considered the contents of Mr. Harvie's letter and I incline to hope that on the strength of this letter the Company will consent to accept the deed from these parties as it stands. Personally, I do not anticipate that we will suffer any trouble or annoyance in consequence of it.

Very truly yours,

one.
