Mr. G. H. Justice,  
Division Engineer,  
Hazard, Ky.

Dear Sir:

Note papers attached relative to claim of  
Wesley Caudill.

You might ascertain from our local attorneys  
when this case will be called for trial, and you might  
also go over the matter with Mr. Caudill with a view  
of ascertaining if the matter cannot be disposed of by  
paying him a reasonable sum in settlement. It is ap-  
parent from the correspondence that he has been damaged  
but little and there is no probability of additional  
wash taking place in the future.

Yours truly,

*H. C. Williams*

Chief Engineer of Construction.
