

August 22, 1917.

Harrison White v. L&E Ry. Co., &c.
.....

Judge O. H. Pollard,
Jackson, Kentucky.

Dear Sir:

I have your letter of the 21st instant. I thought the engine of Armstrong & Bragg Company should be referred to as a "dinkey" instead of a "dingey", and had some correspondence with Mr. Warfield about it, but it seems the dictionaries do not think very much of the word "dinkey" and Mr. Warfield concluded to let it stand as he prepared it. In general practice, however, I know that such engine is referred to as a dinkey engine.

Yours very truly,

RLN/a
