Hon, Samuel Wilson,
Counsel, City.

Dear Sir:

I have your letter of the 5th. Ulto. with further reference to the W.B. Napier Claim and beg to advise you that I did not intend to say that I would pay the cost out of my own funds as I thought that I was acting on your advise to pay this claim, however if you think that I should be made to stand this Cost advise me and I will pay it at once, and in future I will include all cost in these claims when I settle them,

I have always tried to carry out any instructions that I had from the Legal department and thought that I was doing so in this case and in future will be sure to do so,

Yours Truly,

O. M. Hardisty
Stock Claim Agent.
