Mr. Samuel M. Wilson, General Counsel,
Lexington & Eastern Railway Co.,
Lexington, Ky.

Dear Sir:-

I thank you for yours of November 14th in re labor claim of Christ Pete against your road in the Jones Davis lien cases. I will do as you suggest, and in a few days send you concise statement of the facts as I understand them.

You are correct in your assumption that the claim is already in suit. Within time this claimant filed an Answer and Cross-petition in the cases pending in the Perry Circuit Court, and everything is in proper shape as far as I have been able to make it so.

In the Statement of Facts I will set out the data regarding the filing of the Answer and Cross-petition.

Again thanking you for your courtesy, I am,

Yours respectfully,
