WOLF CREEK COAL CO.

FIRM 147 A.

Mr. H. Seargeant, Supt.,  
L. & N. R. R. Co.,  
Ravenna, Ky.

Dear Sir:-

I am writing to advise that the owners of this property, W. B. Davis & Co., have leased it to the Wolf Creek Coal Co., contract having been signed and first payment made.

The Wolf Creek Coal Co. is a Kentucky corporation, and will proceed at once towards equipping this property for the purpose of mining coal, and expect to begin shipping coal within the next thirty days. Mr. J. I. Oldham, of this city, is President, the other stockholders being Ohio parties.

They will take the matter up with you at once, and I believe, from all indications, they will operate for a number of years.

Yours very truly,

*B. P. Grant*
